### Calendar

• If you receive the Focus electronically, you can access the calendar separately by clicking on the appropriate link (i.e. "May Calendar") on the Newsletter page of the website. The calendar page will still be available in paper form.

As I'm writing this month's musings our Transformation Team has just begun leading us in receiving and discussing our draft Guiding Vision Statement in various group opportunities. If you have not participated in one of these opportunities, I encourage you to do so in order that we may hear reactions to this draft document from as many of you as possible before our Vision Panel begins making any revisions to it.

At least in part in response to having heard throughout our transformation process the desire to do more with and for our near neighbors, on Saturday, August 4 our church will be hosting a Halfway Through the Summer Construction Party for our neighborhood. Sandy Weigt and Wendy Weber welcome any help you may be able to provide in hosting our near neighbors.

Also in August we will be saying a 9-12 month au revoir to Sandy Weigt as she heads to Connecticut to care for her grandson. Although she assures us she's coming back and we believe her and are counting on her doing so, please let Sandy know how much you appreciate all of the many and varied ways she has provided leadership, support and encouragement in our Dale Heights family.

During the just ended General Assembly meeting in Pittsburgh I was officially elected to a four-year term on what is now called the Presbyterian Mission Agency. Although I've already attended two PMA meetings as an appointed member, I'll be getting my official orientation with the other newly-elected members during August as well. I continue to be most excited about the PMA's 1,001 New Worshiping Communities movement over the next 10 years, which was officially approved during the General Assembly meeting. I think this is a wonderfully creative opportunity in the Presbyterian Church (U.S.A.), and hope and pray it will not only ignite new, but reenergize the ministries of established worshiping communities like Dale Heights as well.

See you in church, and in mission and ministry in our community!

Shalom in Christ Jesus—Marilyn

**If you did not get to sing your favorite hymns during our annual Hymn Festival in June do not despair—you may yet get to sing them sometime this summer!**

**For the rest of the summer Pastor Marilyn is as much as possible selecting hymns for worship from those you voted for but did not make it into the Hymn Festival.**

### Inquiring Into Membership Conversations

Persons interested in becoming members of Dale Heights are invited to make an appointment with Pastor Marilyn at a mutually convenient time throughout the month.

## Church Women United

The Fellowship of the Least Coin is a worldwide ecumenical prayer movement for peace and reconciliation started in 1956 by Shanti Solomon of India. Christian women around the world seek fellowship and commit themselves to reconcile any strained relationships in their lives. It is not a fundraising project but a fellowship of prayer. Even the poorest person can be a part. To this day, each of us put the smallest-value coin in the jar (penny in U.S.) as we pray for peace. Each year the coins are forwarded to self-help projects somewhere in the world. An international committee from the four regions of the world meets annually to review grant applications for worthy projects. This year's recipients have yet to be announced.

## **Dale Heights Guiding Vision Statement DRAFT**

### **WE ARE A PEOPLE OF SALT AND LIGHT LIVING FOR THE WORLD:**

Bold in action, resisting despair, advocating for those whose voices go unheard, seeking peaceful resolution rather than escalation of conflict, challenging our culture of materialism with one of contentment and creativity, countering the culture of arrogance with one of humility, we speak into our culture the truths of Jesus Christ. We trust in God's faithfulness, and trust that as a church we are in company with a God that never sleeps; therefore, we strive to be this church of the Living God, the church needed in our world.

Acknowledging our relationship with God, we are called to worship in the spirit of love. God gathers us together in a wide variety of planned and unplanned encounters in which we experience and offer reconciliation and hope in a world that desperately yearns for both. With a broad definition of worship, we are a place for all to rest when weary, to come and be transformed to our very roots, to learn faith, love and hope, and to radiate these gifts.

Called to get to work, we are an open-minded and caring church, which desires to act as though we are in the world that God intended. Governed by that desire, recognizing people's essential needs, among them food, fellowship and spiritual connection, we will continue our tradition of outreach mission projects and continue to look for and identify areas of need where we can serve as the Holy Spirit moves among us.

We will let people know: we are a church in and for the neighborhood, an intimate and diverse place where "everybody knows your name." God is already at work in our community, guiding our congregation as we seek to discern our part in that mission. We are asking, "How shall we reflect God's amazing grace?"

### **WE ARE A PEOPLE OF SALT AND LIGHT LIVING OUT "Jesus' vision of right relationships":**

We embrace Jesus' commandment to love God with all our heart, soul, mind and strength—and our neighbors as ourselves. Given a clear mandate, we are called to love boldly and to act faithfully. With each opportunity where we can choose our actions, we are heartened by the reminder that as we love, the world comes closer to what God intends.

Our first and foremost relationship is the one between each of us and God. As individuals in the church we accept the responsibility of learning, practicing and growing in our faith, doing all we can to deepen our relationship with God. God is invisible, made visible in Jesus Christ, made visible in us. In relationship with our loving Creator we live in hope and joy and experience peace.

We claim God's loving acceptance of all as a cornerstone on which we build. All are equal and equally welcomed to the banquet—young, old or in-between, receiving encouragement from God's love and through Jesus' teachings. Because we are taught that Jesus wanted people to know each other and care for each other and encourage each other, we continue to look for opportunities to do exactly this. We are all on individual trajectories yet we strive to listen to and support one another. Sometimes this will be difficult and require all of our strength and mind and reliance on the many ways God interacts with us as we go through passages of sickness, need, betrayal and death. We will also be guided by Jesus' admonition to love our enemies. And each time we encounter other human beings, we endeavor to look for the Christ in them.

Recognizing Christ with outstretched arms, we seek to stretch our own arms out to the world, embracing all. We will live and act in the spirit of that powerful image.

## Dale Heights Guiding Vision Statement DRAFT (continued)

### WE ARE A PEOPLE OF SALT AND LIGHT ENVISIONING HOW OUR CHURCH PRAYS AND ACTS:

Bold in prayer we come to the glorious well of living water that nourishes and heals. We pray with the expectation that prayer will move aside all that stands between us and God. Our prayers equip us to live in harmony with one another and with the earth; to accept all, forgive all and live in hope. We believe that praying and acting will make a difference in the world.

It has been said, “Pray as if everything depends on God; act as if everything depends on us.” We believe that praying and acting are well-considered together. Acting flows out of prayer, and prayer supports and fine tunes acting. Our models for praying and acting are informed by the Scriptures’ teachings about God, in Jesus’ words and actions, and in the apostles’ words and actions. Our models for praying and acting may also be witnessed in each another. Through our prayerful actions, we are God’s loving hands on earth.

In prayer we encounter an awesome, living God, a burning bush experience. We praise and give thanks. We ask for and receive forgiveness and ask for the strength to let go of anything that prevents our forgiving others or holds us back from living our faith. In the communal experience we gain from the closeness of others. In private times of prayer we can say what we would say to no other, and even in our doubt we can bask in the atmosphere of indescribable love and acceptance and clear and sound guidance. We endeavor to pray and act so that we do not live in darkness, but in the light of God.

We are a people bold in action, empowered by our relationships with the living and loving God, a gathered and sent community seeking to be faithful witnesses through prayer and action. We look to break the bonds of despair. We look to knock fear out of the ballpark. We say to hopelessness—“begone!”—we are following One who carries hope like a glorious banner for all to see and who offers courage to work for right relationships in the church, our families, our community and our world. In a world of doubt and fear we choose to trust and hope.

*The Vision Statement Draft printed above is the product of many meetings held by the Vision Panel over the last few months of our on-going transformation journey. A huge thank you to our Vision Panel: Joan Hicks, Jennifer Jones and Gale Oakes. They took the information gathered from the Vision Wall and created this expression of what it is to be called by God to be a people of salt and light living for the sake of the world God loves. Thank you to all who posted information on the vision wall.*

*The statement has been used as our Affirmation of Faith during worship services in July. We are in the process of having meetings to prayerfully study and react to the Vision Statement. Please continue to study and pray about it.*

*Thanks for your continued prayers for the Vision Panel and the Transformation Team.*

## English Books Collection for Purunchojang Church in South Korea Through Sunday, August 5

Sah-lang Church Pastor Gam has invited Dale Heights and John Knox Presbytery to join with his congregation in an English books collection for a church's library in Daegue, South Korea. According to a letter from the Daegue Church Pastor any kind of used or new book, religious or non-religious, textbooks, novels, etc. written in English is welcome. The deadline for collecting the books here at Dale Heights in the Concourse is next Sunday, August 5.

Pasted below is an excerpt from the three-page letter's appeal for these books:

“For the last couple of decades, Korea has been swept by English education fever. . . . However, books published in English are hard to find in the libraries. . . . Hence, we decided that a large collection of books published in English would add value to our library, and attract non-believers to the library and eventually to the Lord. . . . This library is the first church operating public library that is accredited by the government. The city government . . . also agreed that it would authorize and support us to open and operate the proposed English book only library *if* we can collect 30,000 to 50,000 English books including used ones. . . . I and the brothers and sisters at Purunchojang Church have been praying to the Lord for His help and guidance. . . . [W]e [are asking for your] help. . . .”

# SCHOOL SUPPLY DRIVE

Middleton Outreach Ministry is leading a community-wide effort to prevent homelessness and end hunger for people throughout Middleton, West Madison and Cross Plains. Through the support of business partners, area schools and faith communities, as well as numerous individuals and service organizations, MOM provides - free of charge - food, clothing, housing assistance, emergency financial assistance, and special services for seniors.

The School Supply Program makes it possible for kids to have the items they need to succeed and for families to save their limited resources for necessary expenses such as rent.

## *A Season of Civility*

Are you weary of the increasing polarization in our public discourse at the very time we need government leadership to address our biggest problems?

You can help begin a different kind of conversation in our congregations and communities. We should neither remain silent nor go along with the prevailing bitterness in our politics. We must create "safe spaces" for respectful conversations across the partisan divides. And we must move beyond the walls of our congregations to include everyone in our local communities in this dialogue.

The Wisconsin Council of Churches, the Interfaith Conference of Greater Milwaukee and other partners are sponsoring a "Season of Civility." Read on to learn about some of the components of this program and how you and your congregation can participate.

## **Call for a Season of Civility in Wisconsin from our State's Religious Leaders**

**Thirty-six regional and statewide religious leaders** have called upon the citizens of our state to enter a "Season of Civility" amidst the partisan rancor of the recent recall campaigns and the anticipated divisiveness of the fall election cycle. Read full statement at [wccc@wichurches.org](mailto:wccc@wichurches.org) along with a full list of signatories.

### **Regional Training Workshops**

The WCC and Interfaith Conference of Greater Milwaukee are hosting four workshops, including one in Madison, to prepare teams of clergy and lay leaders to engage members their congregations in respectful dialogue.

Led by Rev. Winton Boyd and Barbara Hummel, trained facilitators from Parker Palmer's Center for Courage and Renewal, the workshops will be held:

**Madison: Saturday, August 25th** 9 am - 3 pm, Check in at 8:30 - Orchard Ridge United Church of Christ, 1501 Gilbert Road, Madison

**Winton Boyd** has been Senior Pastor at Orchard Ridge UOC church in Madison, WI since 1999. In this position and previous positions in Fresno, CA and Minneapolis, MN he has functioned as a retreat leader, conflict mediator, service trip coordinator, youth worker, spiritual guide, and community organizer. He has facilitated programs through the Center for Courage & Renewal since 2007.

**Barbara Hummel** works with leaders and all kinds of organizations to help them be more authentic and effective. In addition to her work with organizations, for the past ten years she has facilitated both *Courage to Teach* and *Courage to Lead* retreats in the Midwest, and currently serves on the Board of Directors for the Center for Courage and Renewal. Barb has a master's degree in counseling. She is an active member of Orchard Ridge United Church of Christ in Madison, Wisconsin.

**Cost:** \$20 per person before August 17; \$25 per person after August 17 - see registration brochure and form at [wccc@wichurches.org](mailto:wccc@wichurches.org) or in the Concourse.
